Research interests: machine learning, probabilistic models, optimization, and computer systems.

Education

2026 - Present **ETH Zurich** - Master of Science in Computer Science. Intended major in Machine Intelligence

Currently taking Advanced Machine Learning, Optimization for Data Science, Probabilistic Artificial Intelligence, and Linear & Combinatorial Optimization.

2023 - 2026 **Ecole Polytechnique Federale de Lausanne (EPFL)** - Bachelor of Science in Computer Science. Average: 5.1/6

2020 - 2023 **Lycee Lyautey, Casablanca, Morocco** - French Baccalaureate with Highest Honours in Mathematics and Physics

Research

CXL Allocator - Research Internship, RS3 Lab, EPFL
Benchmarked NUMA allocators against jemalloc, tcmalloc, mimalloc, glibc, and others, and explored allocation strategies to reduce latency across the CXL interconnect.

Projects

OnePass - Android Ticketing App
Android event-ticketing app (Kotlin, Firebase) with resale and offline validation of signed QR codes. Top 4 among 200+ students.

vNet - Polympiads
Built a distributed virtual network for the HC2 and Prologin informatics contests.

S4S-Connect - Students 4 Students
Built a web app for students' agendas, course materials, and activity registration, used by 1,000+ new students at the events each year.

Experience

Student Assistant, Practice of Object-Oriented Programming (CS-108), EPFL Feb 2025 - Jun 2025
Taught Java, object-oriented design, and core data structures, and assisted with the ReCHor project.

Skills

Languages

French	Native
Arabic	Native
English	C1

Systems	Docker, Kubernetes, gRPC, Linux, Grafana, CI, Git
Hardware	Verilog, RISC-V

Leadership

Co-President, Students 4 Students Oct 2025 - Sep 2026
Led an organizing team of twenty and coordinated more than a hundred staff for the week that prepares new students for EPFL.

IT Manager, Students 4 Students Oct 2024 - Oct 2025
Ran IT for three events with 1,000+ participants and built S4S-Connect.

IT Manager, Polympiads Sep 2025 - Sep 2026
Built and maintained the distributed virtual network used for HC2 and Prologin, each hosting 300+ participants at EPFL.

Student Delegate, Computer Science Section Sep 2025 - Sep 2026
Represented students in discussions with faculty, collected feedback, and proposed improvements.

Student Body Member, School Council, IC Faculty Sep 2025 - Sep 2026
Represented students on the IC Faculty Council.

Member, IT Team of AGEPoly Sep 2025 - Sep 2026
Contributed to Trust, a rewrite of `truffe2.agepoly.ch`, the platform campus associations use to borrow equipment, book rooms, and manage accreditations.
